— EXPORT —

"Each of our products embodies the love that our family has for tradition and Italian food. We have been celebrating the joy that comes from being gathered together around the table for over 80 years, with simple products and delicious recipes, made using our expertise to delight and excite our consumers all over the world."

Chiara Ercole
CEO F.lli Saclà S.p.A.

Saclà was founded in Asti, Piedmont, Northern Italy, more than 80 years ago. Today the company is still passionately run by the same family of food lovers dedicated to making authentic contemporary Italian food.

BEING
A B CORP

IS IN
OUR NATURE.

THIS IS THE RESULT OF OUR LONG-STANDING COMMITMENT. IT'S NOT JUST AN ACHIEVEMENT, IT'S OUR NATURAL EVOLUTION.

For us, sustainability means believing in a better future
and striving to build it one step at a time.

This is why we have become a certified **B Corp** in 2024.

Behind this evolution, there is the will to continuously improve
our social and environmental performance, to generate value
and to create a positive impact for all.

This is our way of thanking our Planet.

BRAND VALUES

PESTO

Our Pesto range is inspired by the best Italian food and features top ingredients. To create our delicious pesto recipes, we take inspiration from different regions across our homeland, from the coast to the countryside. Top-quality ingredients are a must – whether that's a specific variety of red pepper, the juiciest olives from ancient branches, or basil grown in the perfect location.

Our delicious Pesto, Pasta sauces and Antipasti range are also available for Food Service in large format for chefs and restaurants. For the full list of products and formats, check with your Saclà sales contact.

WITH MORE THAN 1200 SKUS, SACLÀ HAS VALUABLE KNOW-HOW AND EXPERIENCE IN AREAS OF SPECIALISATION THAT VARY WIDELY.

Every year our Research & Development team creates hundreds of recipes in line with the requests of both buyers and consumers in different categories all over the world.

Our production lines are flexible and can be adapted to allow high speed, semi-artisanal and even hand-operated production. That flexibility extends to the variety of packaging: we can produce in several materials (glass, plastic, metal) and sizes (according to retail, food service and industrial needs).

The products in our portfolio include:

- **PESTO AND PASTA SAUCES**
- **VEGETABLES IN OIL (BORETTANE ONIONS, GRILLED VEGETABLES...)**
- **VEGETABLES IN WINE VINEGAR (ONIONS, GHERKINS, CAPERS...)**
- **VEGETABLE TAPENADES (BLACK/GREEN OLIVES, SUNDRIED TOMATOES, ARTICHOKE...)**
- **FOOD SERVICE PRODUCTS**

We work with the main retailers around the world producing under their own brand.

THE NEW PLANT OF CASTELLO DI ANNONE (ASTI)

26 500m² of covered space
1 600m² of solar panels (324 kW)

In the next years we'll continue the development of the site with the building of additional 26 500m² of covered space and the transfer of all the production and labeling lines.

CERTIFICATIONS / CONTROLS / ENVIRONMENT

A CERTIFIED QUALITY

We have achieved the highest international standards and accreditations for food safety, traceability, environmental management, and use of organic ingredients.

- B CORP Certification
- BRCGS Global Standard for Food Safety
- IFS International Food Standard
- SEDEX registration and audit
- UNI EN ISO 14001:2015 Environmental Management Systems Certification
- REG. CE 1221/ 2009 EMAS European eco-Management and Audit Scheme
- REG. CE 848/ 2018 on Organic production and labeling of organic products
- V-LABEL CERTIFICATION

Our dedicated Quality Assurance team carries out more than 60 physical, chemical, and organoleptic control checks throughout the preparation of all our products, from the raw materials to the finished product. Reduction of emissions, use of renewable energies and optimised recycling are some of the things which make us proud. Thanks to our constant commitment we have obtained UNI EN ISO 14001:2015 certification for our Environmental Management Systems.

**Everything we do today
is done with care for the future.**
